## FAQs

### Financial Conduct Authority (FCA)

The FCA is the independent watchdog that regulates financial services. It requires us to give you this information.

Use this information to decide if our services are right for you.

#### 1. Your demands and needs and market selection:

In obtaining your quotation we have only approached one insurer, Zurich Insurance Plc. We have chosen to only work with this insurer for HireGuard because this policy is designed to meet the demands and needs of plant equipment hirers who wish to insure on an 'all risks' basis against their contractual liability, arising as a result of loss or damage for the replacement cost of the equipment hired up to 2 years old, thereafter replacement less depreciation subject to the principal exclusions detailed above.

In sourcing insurances for you and in the event of a claim, we act as your agent. In placing insurances for you we normally act as your agent **but** should you instruct us to proceed and place this insurance, Jelf will do so under a "delegated authority" granted by the insurers, which means that we also act as agent of the insurer and have authority to accept insurance risks and issue documentation (in accordance with agreed terms) on their behalf.

#### 2. Which services will we provide you with?

We will not offer any advice and you will need to make your own decision regarding the suitability of any policy of insurance purchased.

#### 3. What will you have to pay for our service?

We normally receive a commission from the insurer with whom we place your business and in addition we charge an arrangement fee of £
